# SANKOFA BEACH HOUSE

## "Center for Critical Thinking, Creative Happiness and Wellness"

Sankofa Beach House is a special place dedicated to bringing together people with big ideas who are committed to having a great time. The Beach House exudes an atmosphere that nurtures and cultivates opportunities to think deeply about one's life experiences, while discovering different ways to enjoy life alone or in a group. Sankofa Beach House is a boutique guest house with seven rooms all totally different from each other. We have no standard room. The rooms are designed in a way that attracts different personalities to each of the rooms. In addition to rooms the Beach House is a destination for Day Visitors who come for the serenity, lazing in the sun, ocean swimming, beach walks and our custom lunch service. The Beach House is also a great venue for a wide variety of events.

### Accommodations
